Who We Are

Delta Paper is one of the largest converters of Industrial, Food Service, and Supermarket Papers in North America. We have been in business since 1972 and with that comes history, tradition, and a responsibility to uphold the highest quality of service and products in our industry. For the past 47 years we have earned the reputation for being an honorable and ethical company. We provide our customers with competitive pricing, quick lead times, and high quality products. We take pride in every product that leaves our facility because our name and reputation are on the line.

Who We Service

We sell our products primarily through a network of independent and large national paper and packaging distributors and wholesalers.

Our Responsibility

While many companies have recently began to change their initiatives to incorporate 'green' measures, Delta Paper has actively practiced and educated environmental responsibility since our inception in 1972. Our Team is committed to sustainable and environmental products across every part of our business. We are proud to only partner with paper mills that are (SFI®) and or (FSC) certified to ensure that products come from responsibly managed forests that provide environmental, social and economic benefits. We work with our employees and customers to educate and review all of our sustainable practices. While our team understands that there is no finish line in our fight for environmental sustainability, we are committed to protecting the environment in everything we do.

Environmental Responsibility Is More Than Just A Trend
Most Of Our Products Fall Into One Of The Five Categories Below

RECYCLABLE

REPULPABLE

BIODEGRADABLE

COMPOSTABLE

ECO FRIENDLY

Our Capabilities

In addition to our full line of products, Delta Paper also converts for the trade. We counter roll, slit, sheet, cut, print, emboss, and coat many grades of paper to your specifications. Our reasonable prices, sustainable practices, high service levels, and exceptional quality set the standard for our industry.

Delta Paper is rapidly growing our custom printed division. We specialize in random flexographic printing and have the capability to print in either 1 or 2 colors. This service is not just limited to our Food Service & Supermarket Packaging Papers line of papers. With the emerging growth in e-commerce sales, many e-commerce companies have started to brand their industrial packaging materials with their logo or message. This includes boxes, paper tape, and void fill paper. We have the ability to handle all stages of the printing process from the design stage all the way to the final finished branded product.

Our Commitment

If we are unable to help you directly, then we will point you in the direction of someone who can. Please contact your Delta Paper representative to discuss specific opportunities or answer any questions.

"Better People Make Better Paper"

Industrial Packaging Papers

Our extensive line of Industrial Packaging Papers offers an array of products used throughout multiple industries. Our products provide cost effective and sustainable solutions to the packaging challenges that consumers face each day. The majority of our industrial packaging papers are environmentally responsible and curbside recyclable. It has been widely proven that the best and most cost effective way to fill a void inside of a box is with a sheet of 100% recycled kraft paper.

Whether you are wrapping an item, filling an empty space inside of a box, or lining a pallet, our extensive line of packaging papers offer superior protection for a variety of products and industries. Paper is the preferred choice of the consumer because it is the most environmentally responsible option available today. Delta Paper offers an extensive line of industrial packaging papers that are primarily used for wrapping, void filling, blocking & bracing, stuffing, interleaving, skid lining, and many other end-use applications. Delta Paper products are available in a variety of paper grades and basis weights. We offer rolls and sheets in a variety of different sizes.

Grades Of Paper

- Recycled Kraft
- Virgin Kraft
- Packers Newsprint
- Gray Bogus
- Black Kraft
- White Kraft
- Indented Kraft
- Polyoated Kraft
- Kraft Linerboard (KLB)
- White Flame Retardant
- White Reinforced Steel Wrap
- Anti-Slip (KLB)
- #2 Packing Tissue
- #1 MG Retail Tissue
- Red Rosin
- Reinforced Non-Asphaltic
- Poly Coated Milk Carton

End Use Applications

- Void Fill
- Pallet Liner
- Wrapping
- Surface Protection
- Interleaving
- Stuffing
- Blocking & Bracing
- Floor Protection
- Picture Frame Backing
- Arts & Crafts
- Dust Cover
- Paint Masking
- Moisture Barrier
- Steel Wrap
- Retail Packaging
- Bottom Wrap
- Tier Sheets
- Schools & Camps
- Agricultural
- Flame Retardant

Recycled Kraft

- Made from 100% recycled materials
- Recyclable, biodegradable & compostable
- Easy to use, soft on hands, and cost effective
- Primary applications : void fill, packing, stuffing, wrapping, lining,

Basis Weights Offered

30# 40# 50# 60# 70# 80# 90#

Roll Sizes Available

12" 15" 18" 24" 30" 36" 48" 60" 72" 84"

Virgin Kraft

- Clean and strong with a high level of burst strength, biodegradable, and compostable
- Primary applications: wrapping, pallet interleaving, protective layering, and lining

Basis Weights Offered

30# 40# 50# 60# 70# 80# 90#

Roll Sizes Available

12" 15" 18" 24" 30" 36" 48" 60" 72" 84"

Packers Newsprint

- Lightweight, versatile and recyclable
- Clean, soft, and easy on hands and non abrasive
- Primary applications: wrapping glassware, interleaving, void fill, moving and storage, and schools

Basis Weights Offered

30#

Roll Sizes Available

12" 15" 18" 24" 30" 36" 48"

Gray Bogus

- Made from 100% recycled materials
- Recyclable, biodegradable & compostable
- Easy to use, soft on hands, and cost effective
- Primary applications : void fill, packing, stuffing, wrapping, lining, interleaving, and blocking & bracing

Basis Weights Offered

30# 40# 50# 60# 70#

Roll Sizes Available

12" 15" 18" 24" 30" 36" 48"

White Kraft

- Also known sign paper/table top paper & Banner paper
- Versatile, Lightweight, and cost effective
- Primary application: protective wrapping & lining, table covering, signs, paint masking, and tray lining

Basis Weights Offered

30# 40# 50# 60#

Roll Sizes Available

12" 15" 18" 24" 30" 36" 48" 60"

Black Kraft

- Premium grade and rich in color
- Used in the picture frame industry as a backing to block out light for artwork
- Primary applications: picture frames, staging, bulletin boards, wrapping, and table coverings

Basis Weights Offered
50#

Roll Sizes Available
18" 24" 36" 48"

Polycoated Kraft

- Protects from Products from moisture,oil, and dust
- The Poly adds an extra layer of protection
- Primary applications: moisture barrier, lining, interleaving, tool wrapping, glassware and moisture barrier

Basis Weights Offered
35/5, 50/10, 60/10, 26/10, 33/10, 42/10

Roll Sizes Available
12" 15" 18" 24" 30" 36" 48" 60" 72"

Indented Kraft

- Serves as a alternative to kraft paper protection
- Can withstand heavier, more fragile, and sharper objects
- Primary applications: wrapping, interleaving, glass lining, animal cage lining

Basis Weights Offered
60# 23# 26# 40#

Roll Sizes Available
12" 15" 18" 24" 30" 36" 48"

#1 MG Tissue

- Most commonly used to wrap product
- Primary applications: garment wrapping, jewellery, shirts, shoes, and gift wrapping

Basis Weights Offered
10#

Sheet Sizes Available
(15" x 20") (18" x 24") (20"x 30") (24" x 36")

#2 MF Packing Tissue

- High Bulk and non abrasive
- Professional look with a low cost
- Primary applications: wrapping, stuffing shoes and hand bags, garment, jewellery

Basis Weights Offered
(#2 /#4) MF White

Sheet Sizes Available
(15" x 20") (18" x 24") (20"x 30") (24" x 36")

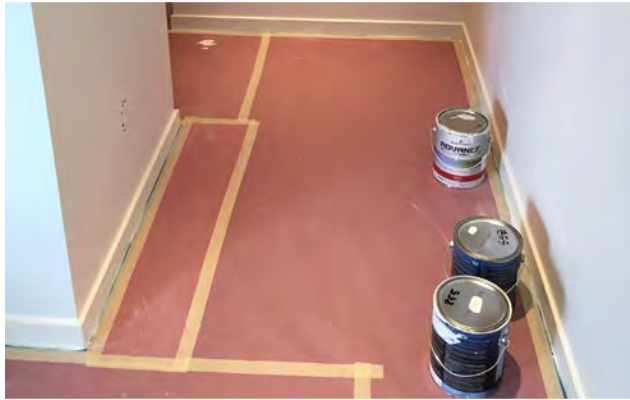

Anti-Slip

- Very high tear resistance, provides better stability when handling products on pallets, reducing product damage
- Increase pallet angles by 15 to 40 Degrees
- Primary applications: lining and interleaving from shifting during transport

Basis Weights Offered
26# / 80#

Sheet Sizes Available
(37" x 45") (40" x 48")

Red Rosin

- Surface Protection and moisture barrier
- Heavyweight Paper and made from 100% recycled fibers
- Primary applications used for lining, surface protection, and floor protection

Basis Weights Offered
36#

Roll Sizes Available
36"

White Reinforced Steel Wrap

- Heavily used for wrapping in the metal/steel industry
- Water resistant
- Primary applications used for wrapping, and lining steel coils/sheets

Basis Weights Offered
50/10 Reinforced White Scrim

Roll Sizes Available
24" 36" 48" 60" 72" 84"

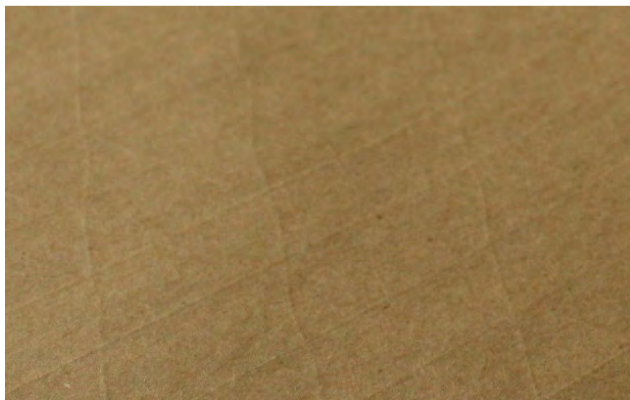

White Flame Retardant

- Heavy-duty paper will not ignite
- OSHA compliant
- Temporary protection against sparks during welding and grinding

Basis Weights Offered
80#

Roll Sizes Available
36" 72"

Reinforced Non-Asphaltic Kraft

- Heavy Duty Paper with tri-directional fibreglass scrim
- Water and oil resistant barrier
- Primary applications: lining floors, and covering during construction

Basis Weights Offered
40/10/40 Non-Asphaltic

Roll Sizes Available
36" 48" 60" 72"

Our Product Lines

Food Service Papers

Delta Paper provides a wide variety of packaging papers used in the food service industry. Our food service papers are FDA approved for direct and indirect contact. We offer a full line of papers for baking, sandwich wraps, table top, and basket liners applications.

Supermarket Papers

Delta Paper provides a wide variety of packaging papers used in the food service industry. Our food service papers are FDA approved for direct and indirect contact. We offer a full line of papers for baking, sandwich wraps, table top, and basket liners applications.

Custom Printing

We specialize in flexographic printing. Delta Paper has the ability to print 2 and 3 color jobs. Delta Paper manufactures custom prints for Food Service Papers (with food safe inks) and Packaging Grades. Delta Paper has the in house ability to handle custom prints from the design stage, plate production, to print.
